Out with the Old..In with the NEW!

Winter 2008

Mick & Angelo's main identity sign desperately needed an upgrade.

Step right up to a fresh take on the original logo, rotating tomato with LED illuminated channel letters, neon border and a digital message board!

M.L.Campbell's new training center in Fort Erie wanted their logo recreated 3 dimensionally for their main identity sign as well as their reception wall.

You want it..you got it!

After years of dedicated fundraising, Helen Henderson and her team unveiled the New **Hyde-Pedersen Fitness Centre** at **Stamford High School** complete with a beautifully designed and fabricated donor board by Signature Signs.
